Dear Mr. Cofield:

On behalf of the School District of DeSoto County, I would like to thank you once again for your generous contribution of over 300 Constitution booklets that were donated to our entire 5th grade community. Being blessed with such a wonderful gift demonstrates not only the kindness of the Constitution Project, but provides our students an informative opportunity to understand the significance and importance of the U.S. Constitution. We are excited to see our 5th grade teachers use this material to spark discussion, debate, and critical thinking in their classrooms. Thank you for providing our young and impressionable students with a historic essential that might not otherwise be afforded.

We are extremely appreciative of your support. Thank you for being such a passionate and charitable organization, and for including the children of DeSoto County in your annual giving.

Sincerely,

Adrian H. Cline
Superintendent
